January 12, 2022

Hello Parents and Guardians,

This is William Santiago, your Superintendent of Peach Springs Unified School District. As you know the Hualapai Tribe and Peach Springs Community have been in a Code Red due to Covid-19. After careful deliberation we've made the decision that in the best interest of our community we will be returning to our hybrid schedule. You may recall we utilized the hybrid schedule last school year to safely return students to the building and provide the best education.

In order to achieve this, school will be closed on **Thursday January 13th** so that we can prepare for the deployment of laptops and our teachers can complete instructional Planning,

On **Tuesday January 18th** laptops and schedules will be deployed, and you will receive additional communication with specific times for laptop and WiFi device pick up.

**Wednesday January 19th** will be the first day of Hybrid-Learning. We always want all students to be in attendance at school. We know that in- person is the best environment for students to learn with their teachers. However, our students' health safety is always our first priority.

Please continue to monitor our Facebook page, KWLP the "Peach" Radio station, listen for our phone messages, and communication via email or letters mailed out to you. As always, please call the school at 928-769-2202 for any further information and updates.

Kind Regards,

William Santiago  
Superintendent
